

Nissan Forklift Parts

Nissan Forklift Parts - Nissan prides itself on achieving overall consumer satisfaction when their customer is enjoying one of their many trucks, cars or lift trucks. Nissan Forklift division is a wholly owned subsidiary of Nissan Motor Co. Ltd. They are committed to offering high value and meticulous quality values to their customers. Incorporating a fruitful heritage combined with resilient production principals, Nissan Forklifts offer many of the finest materials handling equipment the industry has to offer.

In order to satisfy the worldwide needs of their diverse consumer base, Nissan Forklift added a Swedish warehouse manufacturer, Atlet AB to its family. Committed to providing consumer support, the company has four independent manufacturing facilities that permit them to constantly adapt to their clients continually evolving needs by providing an assortment of progressive ideas and designs.

The Nissan Lift truck North and South American center is situated in Marengo, Illinois. A loyal team of 350 personnel is fully committed to the collaboration, design and fabrication of their products. Working under the ISO-9001 and ISO-14001 certifications, allows every sector of the Nissan Forklift Corporation to preserve environmental accountability by using techniques that diminish the worldwide impact of their goods and processes. These high values remind customers that Nissan operates under the quality seal that their clients demand whilst being an environmentally conscious company.

Nissan is fairly convinced that any of their clients questions and client worries directed towards them can be fully addressed. Always available through their website or by calling 800.871.LIFT, reaching one of their locally endorsed dealers or even traveling to their Midwestern facility, Nissan Forklift Corporation is certain you will be impressed with their hospitality and dedication.
