

Trek Parts

Trek Parts - TREK Cleaning Machines is a manufacturer of cleaning equipment. Chris Knowlton, Bob O'Hara and Jim Hartsock, TREK's founders, have more than sixty years of experience effectively manufacturing, designing, developing, marketing and providing customer support. The company's cutting edge flair is a reflection of the entrepreneurial style of the founders. They truly believe in delivering true value to their customers and are committed to giving new design concepts and top quality in order to meet the diverse requirements of their clients.

TREK Cleaning Machines continually provides fresh design ideas as shown in their product development. They enjoy offering items which energize both their partners and their dealers and offer production gains to their clients.

The team at TREK enjoys tackling new tasks and challenges. They are proud to introduce their new Torsion scrubber line and all of its breakthrough technology. This particular line was motivated by the understanding of operators' skills and needs together with their comprehension of cleaning applications, together with owners' strong desire to dramatically lessen expense through productivity gains.

When required, the workers within TREK and its various dealer members in both technical support and parts will be obtainable. Among their core values is their high service commitment in their customer service. Keeping their customers' cleaning machines functioning and ready day after day is top priority. The company's top of the line technology delivers dependable equipment that eventually lowers your cost of cleaning. The price, the service and the product all work as one to be able to make them the leader in the industry.
